

Quick Fit Rescue Harness

With Deluxe Retrofit Yoke

GSE1305B

This Globestock three point rescue harness comes fitted with 3 bar slide and rectangular link chest connection. Features adjustable leg loops and shoulder straps with a quick fit buckle to ensure the straps are positioned easily and correctly. The chest strap on this harness is a full chest strap, going all the way around the chest to provide an exceptionally secure and comfortable configuration, this improves load distribution when using the front "D" ring. This harness also comes with the additional deluxe padded retrofit shoulder yoke which provides additional support and comfort for the user.

Material Specification

Polyester webbing with heat treated zinc plated carbon steel fittings and anodized black alloy rings.

Attachment Points

Overhead 'D' ring, rear fall arrest 'D' ring and front 'D' ring attachment points.
