

Product ID:
RGHK4

Product Name:
The Twin Leg Scaffolder's Kit

The twin leg version of our Scaffolder's Kit contains a two point safety harness and a twin leg fall arrest lanyard.

The addition of a twin leg lanyard means workers can safely and efficiently move between anchor points, whilst working close to an open edge. This version comes with two scaffold hooks meaning it is ideal for clipping to scaffolding or other steel structures.

Kit contains:

Product:
