

TRU ROUND STOCK GRABS

TRU round stock grabs

Working load limit (WLL) 100 - 4000kg

The TRU round stock grabs are designed to pick up tubes, pipes, rolls or similar round stock material with a diameter of up to 600mm. They are extremely easy and simple to use and make for safe lifting.

Options:

- Available with automatic open / close device.
- Jaws can be fitted with plastic pads or rubber lining to minimise marking of surfaces.

NB: When using the protective lining, it is important that the surfaces are dry, clean and free of oil and grease.
